

Hello everyone,

QUEEN'S BIRTHDAY

There are no regular lessons on Monday June 8th.

BRISBANE EISTEDDFOD ENTRIES

The Brisbane Eisteddfod is being held in August and entries close next **Friday June 5th**. These events are not just for the child prodigies but for everyone who wants to get involved and have a go. The grade sections are great for students worried about playing against higher level students because all competitors are playing at the same level. Please reply ASAP if you want to get up on stage, play to a live audience and give it a go!

- [Full concert details can be found here](#)

THEORY COURSE FEE

To cover the cost of printing we will now be charging a small fee for any students working through our Treviano Theory Course. Our custom course which we developed covers Grades 2 to 5 and includes course notes, worksheets and exam papers and is more thorough than any off-the-shelf book, most of which have significant holes in information and suffer from a lack of practice examples. The cost is \$15 per grade.

Kind Regards,

Nicholas and Katrina
